

How to generate images using *Midjourney*

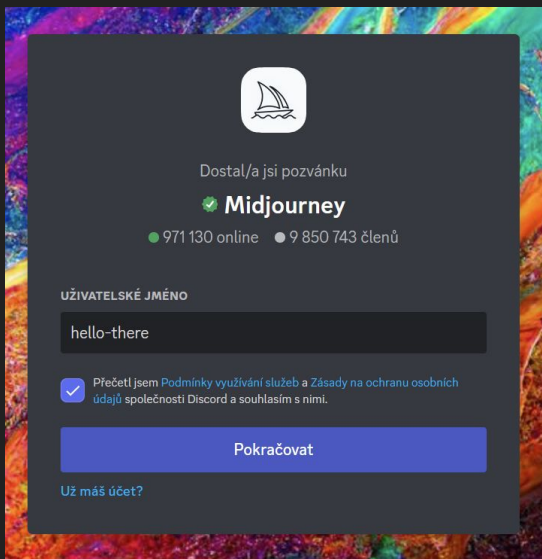

(0. If you have your discord app opened, close it first)

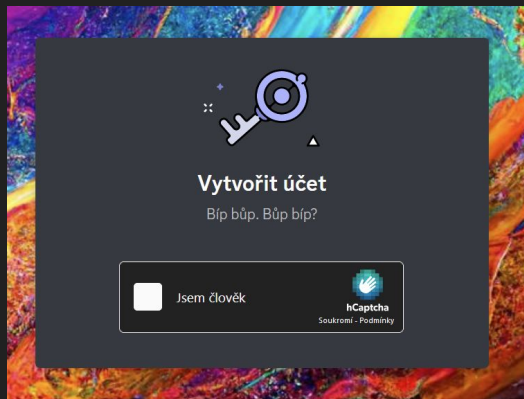

1. Open anonymous browser window and type in:
<https://discord.com/invite/midjourney>

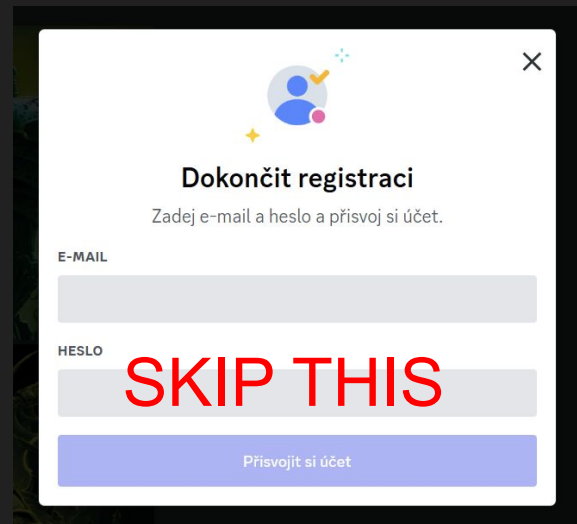

2. Create a new account

Discord Midjourney invite screen. At the top is the Discord logo and a sailboat icon. Below it, text says "Dostal/a jsi pozvánku" and "Midjourney". It shows "971 130 online" and "9 850 743 členů". The "UŽIVATELSKÉ JMÉNO" field contains "hello-there". A checkbox is checked with the text "Přečti jsem Podmínky využívání služeb a Zásady na ochranu osobních údajů společnosti Discord a souhlasím s nimi." Below is a blue "Pokračovat" button and a link "Už máš účet?".

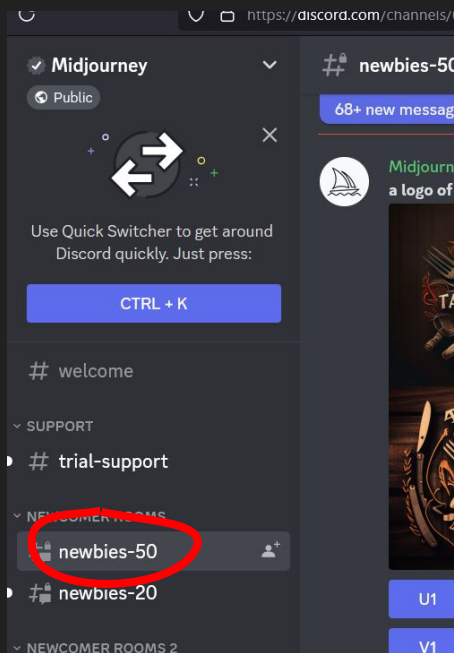

Discord account creation screen. It features a key icon and the text "Vytvořit účet" and "Bíp búp. Búp bíp?". There is a checkbox labeled "Jsem člověk" and a hCaptcha logo with the text "Soukromí - Podmínky".

Discord account completion screen. It has a close button (X) in the top right. The title is "Dokončit registraci" with the instruction "Zadej e-mail a heslo a přisvoj si účet." Below are fields for "E-MAIL" and "HESLO". The word "SKIP THIS" is written in large red letters over the password field. At the bottom is a blue button labeled "Přisvojit si účet".
